

Kiosk Scape 55P

Designed for use in the public domain, this rugged touch screen kiosk can withstand the harshest environments. The Scape Kiosk's contemporary design and 55" large display makes it perfect for showrooms, shopping centres, information centres, lobbies and site offices.

Robust Full HD Multi-Touch Display

Full HD 55" touch screen utilises infrared touch technology up to 10 simultaneous touch points. The touch monitor is commercial quality which allows for extended 24/7 use and extreme reliability, featuring a vandal resistant display.

Boasting an in-built PC Intel® Core™ i5 processor, 4GB RAM, 500GB HDD, LAN, pre-loaded Windows 7 PRO, in-built Wi-Fi card with external antenna. Two internal USB ports, two external USB ports and in-built speakers.

The Scape's sleek design redefines the modern kiosk with its timeless good looks. The steel, powder coated base provides a sturdy support whilst the advanced IR technology allows for use with hands, gloves or any pointing device.
